# PROGRAM

Thursday, September 25, 2014

11:45 a.m. Lunch

7:00 a.m. Registration and Breakfast

*SESSION III*

8:00 a.m. Welcome and Introduction – John D. Murray MD

1:00 p.m. *“Communicating Cancer: Choosing the Right Words”*

DON S. DIZON, MD

Director, Oncology Sexual Health

Gillette Center for Gynecologic Oncology

Massachusetts General Hospital

Associate Professor in Medicine

Harvard Medical School

8:15 a.m. *“Community Intervention and Implementation of Wellness”*

KEYNOTE SPEAKER – REBECCA LOBB, ScD, MPH

Assistant Professor, Department of Surgery

Division of Public Health Sciences

Washington University in St. Louis, Institute for

Public Health

1:30 p.m. *“How to Keep on Keepin’ On: Dealing with Clinician Grief”*

MARY HUGHES, RN, CNS, CT

Clinical Nurse Specialist, Department of Psychiatry

University of Texas MD Anderson Cancer Center

Clinical Faculty

Texas Woman’s University Houston Center

The University of Texas Houston School of Nursing

*SESSION I*

9:00 a.m. *“Value Based Outcomes for Early Breast Cancer Detection”*

KEVIN HALL, BS

Department of Radiation Oncology

OSF Saint Francis Medical Center

9:30 a.m. *“Breast MRI Guidelines for 2014: What has Changed?”*

ROBERTA M. STRIGEL MD, MS

Assistant Professor, Section of Breast Imaging,

Department of Radiology

Director, Breast Imaging Fellowship

University of Wisconsin-Madison

2:00 p.m. Question/Answer Session

2:15 p.m. Break and Exhibit Session

10:00 a.m. Question/Answer Session

*SESSION IV*

2:30 p.m. *“Post Mastectomy Radiation and Reconstruction”*

SIMONA SHAITELMAN, MD

Assistant Professor

Department of Radiation Oncology

The University of Texas MD Anderson Cancer

Center

10:15 a.m. Break and Exhibit Session

*SESSION II*

10:30 a.m. *“DCIS and Radiation”*

SIMONA SHAITELMAN, MD, EdM

Assistant Professor

Department of Radiation Oncology

The University of Texas MD Anderson Cancer

Center

3:00 p.m. *“Direct Implant Reconstruction-Who is the Candidate”*

GLYN JONES, MD

Professor of Surgery

University of Illinois College of Medicine at Peoria

11:00 a.m. *“Pathology of DCIS”*

DANIEL VISSCHER, MD

Professor of Medicine and Pathology

Anatomic Pathology Division, Department of

Laboratory Medicine and Pathology

Mayo Clinic in Rochester, MN

Multidisciplinary Breast Pathology Fellowship

Program Director

Mayo School of Graduate Medical Education

3:30 p.m. *“Prophylactic Mastectomy: When Do We Say No?”*

SHAWNA WILLEY MD

Professor of Clinical Surgery

Director, MedStar Regional Breast Health Program

Vice-Chair, Department of Surgery

MedStar Georgetown University

4:00 p.m. Question/Answer Session

11:30 a.m. Question/Answer Session

4:15 p.m. Day One Closing Remarks – John D. Murray MD

Friday, September 26, 2014

7:00 a.m. Registration and Breakfast

8:00 a.m. Welcome and Introduction – Denise M. Mammolito MD

8:15 a.m. *“DCIS-When is Treatment Too Little, Too Much or Just Right?”*  
KEYNOTE SPEAKER – SHAWNA WILLEY, MD  
Professor of Clinical Surgery  
Director, MedStar Regional Breast Health Program  
Vice-Chair, Department of Surgery  
MedStar Georgetown University

*SESSION V*

9:00 a.m. *“Targeting Breast Cancer Stem Cells”*  
MAX S. WICHA, MD  
Distinguished Professor of Oncology  
Director, University of Michigan Comprehensive  
Cancer Center

9:30 a.m. *“Endocrine Therapy-Adjuvant for Breast Cancer”*  
RACHEL JANKOWITZ, MD  
Assistant Professor of Medicine  
University of Pittsburgh Cancer Institute  
UPMC Magee Women’s Cancer Program

10:00 a.m. Question/Answer Session

10:15 a.m. Break and Exhibit Session

*SESSION VI*

10:30 a.m. *“HER-2 Targeted Therapy”*  
MARK PEGRAM, MD  
Susy Yuan-Huey Hung Professor  
Director, Breast Oncology and Molecular  
Therapeutics Programs  
Stanford Women’s Cancer Center  
Stanford University Medical Center

11:00 a.m. *“Gene Targeted Therapy”*  
CYNTHIA MA, MD, PhD  
Associate Professor of Medicine  
Division of Oncology, Section of Breast Oncology  
Siteman Cancer Center  
Washington University School of Medicine

11:30 a.m. Question/Answer Session

11:45 a.m. Lunch

*SESSION VII*

1:00 p.m. *“Managing Women with Dense Breasts”*  
JENNIFER HARVEY, MD  
Professor of Radiology  
University of Virginia School of Medicine

1:30 p.m. Break and Exhibit Session

1:45 p.m. *“Molecular Breast Imaging”*  
AMY FOWLER, MD, PhD  
Assistant Professor  
Section of Breast Imaging  
Department of Radiology  
University of Wisconsin – Madison

2:15 p.m. *“Genetic Testing Beyond BRCA”*  
JAMES KNOST, MD  
OSF Saint Francis Medical Center  
Illinois Cancer Care Medical Staff

2:45 p.m. Question/Answer Session

3:00 p.m. Break and Exhibit Session

*SESSION VIII*

3:15 p.m. *“Clinical Case Review”*  
Jessica A. Guingrich MD  
Clinical Associate Professor of Radiology, UICOMP  
Central IL Radiological Associates, Ltd.

Nguyet A. Le-Lindqwister MD  
Clinical Assistant Professor of Medicine, UICOMP  
Illinois CancerCare, P.C.

Denise M. Mammolito MD  
Assistant Professor of Clinical Surgery, UICOMP  
Peoria Surgical Group, Ltd.

James L. McGee MD SM  
Clinical Professor of Radiology, UICOMP  
OSF Saint Francis Medical Center

John K. Miller MD  
Clinical Assistant Professor of Family &  
Community Medicine, UICOMP  
UnityPoint Health - Methodist

John D. Murray MD  
Clinical Associate Professor of Surgery, UICOMP  
Assistant Professor of Surgery, University of  
Florida College of Medicine Jacksonville

Tenille M. Oderwald, RN  
Breast Health Navigator at OSF Centers for  
Breast Health

Ronald R. Winek PhD MD  
Clinical Assistant Professor of Pathology, UICOMP  
Central IL Pathology SC

4:15 p.m. Day Two Closing Remarks – Denise M. Mammolito MD

*It is the policy of the University of Illinois College of Medicine that faculty and providers disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved drugs or devices during their presentation(s). The University of Illinois College of Medicine has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity.*

# GENERAL INFORMATION

## Intended Audience

Physicians, physician assistants, advanced practice nurses, nurses, surgical technologists, radiologic technologists, occupational and physical therapists, certified medical dosimetrists, certified tumor registrars, and medical office staff in all specialties.

## Program Overview

The sole objective of this symposium is to educate all physicians and healthcare personnel regarding the current diagnosis and treatment of breast cancer in a comprehensive, multidisciplinary fashion.

Through this CME activity, the participant should better understand theories and facts related to the development of breast cancer, current imaging and diagnostic modalities, surgical treatment, adjuvant therapies of chemotherapy and radiation, breast reconstruction, and managing patients with breast cancer. This activity will also educate the participants about breast cancer from a multidisciplinary approach. This symposium hopes to help physicians and healthcare personnel reach a better understanding related to all aspects of breast cancer and how we all may contribute to help individuals overcome this disease while maximizing quality of life.

## Educational Objectives

- Define the incidence and types of premalignant breast disease and breast cancer.
- Examine risk factors that impact the development of breast cancer.
- Identify the radiological contribution of mammography, ultrasound, MRI, PET scanning and new technology to the diagnosis, treatment, and post-treatment surveillance of breast cancer.
- Identify options to evaluate the dense breast beyond 2-D mammography.
- Describe how histologic findings are related to definitive therapy for breast cancer.
- Examine the role of prophylactic mastectomy.
- Describe new therapeutic options for HER2 positive tumors.
- Compare the potential benefits and pitfalls related to post mastectomy breast reconstructive techniques in relationship to adjuvant therapy.
- Identify the psychosocial issues related to breast cancer treatment, including methods to support patients with these issues.
- Explain the molecular biology of breast cancer in relation to targeted therapy.
- Discuss the importance of a multidisciplinary approach to the treatment of breast cancer as it relates to nursing, mid-level providers, and physicians, in treatment coordination, and communication.
- Review the controversial issues involved in hormone replacement therapy and molecular genetic testing.
- Discuss the economic impact of early breast cancer detection.

## Registration Fees

All fees include registration, educational materials and instruction, CME and CE recording, continental breakfast, refreshment break, and lunch.

## Symposium Location and Parking

Peoria Civic Center is less than 15 minutes from the Peoria International Airport. Conference parking is free for attendees in the Marquee Parking Lot located at the intersection of William Kumpf Blvd. and Jefferson St, which is the main entrance to the Peoria Civic Center. Please let parking lot attendees know that you are parking for the symposium.

## Lodging

Hotel reservations must be made separate from registration. A list of Peoria area hotels offering special block rates are posted on our webpage at [www.peoria.medicine.uic.edu/bcs](http://www.peoria.medicine.uic.edu/bcs).

## Air Travel

The Peoria area is served by Allegiant Air, American Eagle, Delta, and United Express through the Peoria International Airport (309-697-8272). Commercial limousine or taxi service is available from the airport. The Peoria International Airport is available for use by private aircraft through Byerly Aviation or through the Mt. Hawley Airport.

## Accreditation and Credit Designation Statements

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship of the University of Illinois at Chicago (UIC) College of Medicine and The Memorial Affiliate of Susan G. Komen for the Cure. The University of Illinois at Chicago (UIC) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Illinois at Chicago (UIC) College of Medicine designates this educational activity for a maximum of 12.25 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Family Physicians:** This Live activity, Seventh Annual Breast Cancer Symposium, 2014, with a beginning date of September 25, 2014, has been reviewed and is acceptable for up to 12.25 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Physician Assistants:** AAPA accepts AMA PRA Category 1 credit from organizations accredited by the ACCME.

**APN/RN/LPN:** AMA PRA Category 1 credit from organizations accredited by the ACCME meet Illinois continuing education requirements for relicensure. 12.25 *AMA PRA Category 1 Credit(s)*<sup>TM</sup> (Note: 1 CME = 1 contact hour)

**Certified Medical Dosimetrist:** CMDs attending all sessions will receive a total of 10 CE credits.

**Certified Tumor Registrar:** Program #2014-072 has been pre-approved by NCRA's Program Recognition Committee for 12.25 CE hours.

**Occupational and Physical Therapists:** This activity is being offered in cooperation with OSF Saint Francis Medical Center Rehabilitation Services, an approved Illinois Department of Professional Regulation CE Sponsor, for 13.5 CE (two day attendance) for the following professions:

**Occupational Therapy** – CE Sponsor License # 224-000011  
**Physical Therapy** – CE Sponsor License # 216-000024

**Radiologic Technologists:** The Illinois Emergency Management Agency (IEMA) has approved this activity for 12.5 Category A continuing education credit(s) for medical technologists. (This CME approval meets ARRT requirements as well as MQSA credits for mammographers and mammographer technicians.)

**Surgical Technologists and First Assistants:** This continuing education activity is approved for 12.25 CE credits by the Association of Surgical Technologists, Inc., for continuing education for the Certified Surgical Technologist (CST) and Certified Surgical First Assistant (CSFA). This recognition does not imply that AST approves or endorses any product or products that are included in presentations.

Certification of completion/credit will be e-mailed or mailed to participants upon completion of record of attendance forms.
