LEARNING OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Discuss the history of health care reform in the U.S.
- Analyze the demographic, economic, and political conditions that influence whether reform is required or not
- Explain the current health care / health insurance reform proposals being considered by the U.S. Congress
- Assess the strengths and weaknesses of the current health care reform proposals
- Assess the probabilities that reform will be successful

This activity has been planned and implemented in accordance with the Essentials and Standards of the ACCME through the joint sponsorship of the Southern Illinois University School of Medicine and the Sangamon County Medical Society. The SIU School of Medicine is accredited by the ACCME to sponsor continuing medical education for physicians. This activity has been designated for 1 AMA PRA Category 1 credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
